Fairy tale "The Four Seasons" is a great way to learn about the importance of Winter, Spring, Summer, and Autumn. We hope that the readers will be captivated by the adventures of a young girl named Christina, her wise German shepherd - Ramses, and a little mischievous monster tasked to ensure that the seasons follow the calendar order.

"My Grandma's Tales" is a series of fairy tales from around the world. The books are bilingual and should be interesting for adults and children as well. <http://www.mygrandmastailes.com>
