Great Introduction to Yoga

By Cara Fuentes

I bought this book for a friend who recently served a 3 year prison sentence. Since his release he has been in and out of rehab and periodically struggles with homelessness. This is a great introduction for someone who has no previous knowledge of yoga. It does a great job touching on the basic principles and simply explains how to do different poses. It even includes illustrations of poses that were drawn by prisoners who practice. I would recommend this to anyone new to the practice.
