BY CONSEQUENCE OF MARRIAGE: A PRIDE & PREJUDICE NOVEL VARIATION (THE MORALITIES OF MARRIAGE) (VOLUME 1) BY ELIZABETH ANN WEST PDF

This is the first novel in the Moralities of Marriage series, a Pride and Prejudice Variation series. When his horse throws a shoe, Fitzwilliam Darcy misses rescuing his sister, Georgiana Darcy, from the clutches of George Wickham by only one day. Now on the hunt to find them both, the gossip beginning to swirl in London forces him to abdicate the search to his cousin, Colonel Richard Fitzwilliam, while he plays the wayward gentleman in Hertfordshire with his friend Charles Bingley. After a collision with his future, Darcy struggles to satisfy his attraction to a pair of fine eyes and keep his family's scandal hidden. Elizabeth Bennet dreams of nothing more than remaining close to her sister, Jane. When the rich gentleman, Charles Bingley, enters the neighborhood, it seems certain that Jane will make a match with him. After all, Jane Bennet is the sweetest and most beautiful woman in the county! But Elizabeth's efforts to find her own local match go awry and she feels abandoned by the first man to cause stirrings in her heart. Her parents attempt to marry Elizabeth off to her cousin, William Collins, who is set to inherit the estate. But when she refuses, she soon finds herself in London with relatives, forced to find her own happiness. By Consequence of Marriage is a sweet, romantic novel starring our favorite dear couple from Jane Austen's *Pride & Prejudice*, wondering how the story might have changed if Georgiana was lost. It's a great storyline for Jane Austen Book Clubs wanting to compare and contrast how our favorite characters might have changed fundamentally if Mr. Darcy never attended the Meryton Assembly.

False advertising

By Iannone

I am dissatisfied with this story. First, nowhere in the summary did it indicate that this was the first part of a story, I do not enjoy being taken in. Second, most of the characters diverged too much from their P&P personalities to make the story believable, in particular Mr. Bennett's. In short, I do not recommend it.

Wish it was a complete book, not 1st in a series!

By Austen Fan

I gave this book a 4 for the plot and the standard of writing which were great. It was well written and unique enough to hold my attention. I was disappointed that it wasn't complete in one book, am getting fed up paying full price for what is essentially half a story. (Nearly gave a 3star rating for that but bring fair had to rate the content not my disappointment). Once you buy knowing there is another book to come you should enjoy it but the cynical part of me feels that this was originally intended to be one book and then greed took over so it was split.

Totally Unsatisfying

By Kindle Customer

I was reluctant to read this P&P variation as I did not like the premise and I was right. Other than the two main characters everyone is so changed from their Jane Austen personalities as to make them unpleasant. The story started off well enough but shortly became angst ridden and, to add to my frustration, D & E spent very little time together though they seemed to just miss each other often.

About 60% through the book I admit to quickly scanning through the rest and stopping whenever I saw a reference to either Darcy or Elizabeth. There was nothing there to satisfy my hunger for their romance. I even at one point doubted that they would ever get together but thankfully the author was not that cruel.
