About the Author

John J. Macionis was born and raised in Philadelphia, Pennsylvania. He earned a bachelor's degree from Cornell University and a doctorate in sociology from the University of Pennsylvania.

John Macionis' publications are wide-ranging, focusing on community life in the United States, interpersonal intimacy in families, effective teaching, humor, new information technology, and the importance of global education.

In addition, John Macionis and Nijole V. Benokraitis have edited the best-selling anthology *Seeing Ourselves: Classic, Contemporary, and Cross-Cultural Readings in Sociology*. Macionis and Vincent Parrillo have written the leading urban studies text, *Cities and Urban Life* (Pearson). Macionis' most recent textbook is *Social Problems* (Pearson).

John Macionis is Professor and Distinguished Scholar of Sociology at Kenyon College in Gambier, Ohio, where he has taught for almost thirty years. During that time, he has chaired the Sociology Department, directed the college's multidisciplinary program in humane studies, presided over the campus senate and the college's faculty, and taught sociology to thousands of students.

In 2002, the American Sociological Association presented Macionis with the Award for Distinguished Contributions to Teaching, citing his innovative use of global material as well as the introduction of new teaching technology in his textbooks.

Professor Macionis has been active in academic programs in other countries, having traveled to some fifty nations. He writes, "I am an ambitious traveler, eager to learn and, through the texts, to share much of what I discover with students, many of whom know little about the rest of the world. For me, traveling and writing are all dimensions of teaching. First, and foremost, I am a teacher—a passion for teaching animates everything I do."

The Macionis family lives on a farm in rural Ohio. Macionis is an environmental activist in New York's

Lake George region, working with a number of organizations, including the Lake George Land Conservancy, where he serves as president of the board of trustees.

Not a Great Textbook

By Josh

If you are looking for the philosophy of how urban planning has been viewed through time then maybe this is the book for you. However as a text book it lacks a clear presentation of the information and is incredibly dull. When you read the chapters you have to continually look back at the overview to remember what they are rambling on about. I only gave it 2 stars instead of one because it does have a nice discussion on the philosophy of urban planning.

Book review

By Chelleum

To much information is packed into this book. I think the author could've cut some of the information out.
