Great for first time coaches

By Deane

This book is great for first time coaches that want to be prepared for practices with a plan that includes skills, drills and game situation.

Only for high school coaches

By G

This book contains lots of interesting things about how to organize training, motivate (young) players and build teams - it is essentially written for people who coach high school teams. If you are hoping for a solid introduction to rules of volleyball, basic moves and strategies (as I did) this book will disappoint you.

Book was in perfect condition. Exactly as stated.

By natktri

As a first year VB coach this book was priceless. I highly recommend it for any newbie. Most importantly if you are a middle school coach this book is helpful method to help you lead your team effectively during a game and understand the sport's rules.
