Excellent information/food for thought

By donutlv81

Great information about why we're even here on this earth...that there was an actual plan! We are meant to find happiness and live a good, productive life. Whether you are the same religion as this author (a latter day Prophet), or even if you're not, you can ponder his words and maybe learn something useful.

Tremendous works

By John W. Robertson

The three books in the Doctrines of Salvation series are directed toward a serious student of the Gospel who enjoys pondering the scriptures. Be aware that they are compiled with the target audience being someone very familiar with the Bible, Book of Mormon and Doctrine and Covenants.

Given that, these books are excellent. I remember eagerly purchasing and reading from them quite a few years back. It was delightful to find the truths of the gospel expressed and expounded upon so clearly and beautifully and misunderstandings so nicely corrected.
