An in depth tutorial and tons of helpful guidelines about essential oils uses for Dogs.

By Maria Hernandez

This book is interesting and helpful. Inside of this book I have found tons of helpful guides about essential oils for Dogs. Actually my younger brother is a super dog lover and I purchased this book for him.

This book taught me about how to use essential oils for our pets. By the help of this book I have learned about how to make some homemade remedies for my pets. This book is fully loaded with some basics and fundamental knowledge. By reading this book I have understood about how to effectively apply essential oils. Inside of this book I have found some helpful tips also. Now I am pretty sure I will teach my brother

about the uses of essential oils for our dog. I am glad to read this book.

This book helps you to get to know when and how to use which oils for which ailment.

By Ginny Morgan

Very informative book. Will be very useful. You get to know what to use for what ailments. Having three pups IG will come in very handy.

All dog lovers NEED to READ THIS BOOK

By Raymond Rice

Any dog lover needs to read this! I have always had dogs and of course have taken precautions necessary to keeping my family friends healthy, however never realized how easy it was to use specific oils to deter bees. Furthermore, I never knew you could use them to curb anxiety either. I have had rescue dogs in the past, where was this book then?
