FROM DEEP WATERS: THE COMPLETE ADVENTURES OF THE MAJOR, VOLUME 1 BY L. PATRICK GREENE PDF

The long-running and much-beloved series from the pages of Short Stories is finally collected in order and with a plethora of bonus material. Join Aubrey St. John Major--AKA the Major--and his faithful companion, Jim the Hottentot, on their adventures across the diamond country of Africa. This collection includes the first 12 stories, uncut and with all the original illustrations, along with Greene's correspondence, and an article by Archibald Bittner on the author. Capped with a career-spanning introduction by pulp historian Ed Hulse, this is a collection decades in the making.

A MAJOR pulp character back in print

By Stephen Vincent Kempton

Starting in 1919 L. Patrick Greene wrote almost 100 stories taking place in then current Africa. These stories appeared in some of the finest pulp adventure magazines and were immensely popular at the time, but are all but lost. Now thanks to Matt Moring and the staff at Altus Press they are all coming back.

The Major (Aubrey St. John) a British dandy who is always an upright proper and prim gentleman is accompanied by his faithful servant a Hottentot native Jim. The Major and Jim are much more a team than Master and Servant. Think

Lone Ranger and Tonto or Green Hornet and Kato.

The stories build on each other and add to the enjoyment. Elements and characters from previous stories reenter the scene along the way increasing the fun. The pleasure also comes from the discovery in each story of how the Major and Jim are going to outsmart and outwit their opponents.

L Patrick Greene spent time as a mounted policeman in Rhodesia and he is clearly familiar with his subject matter.

The book comes with an excellent introduction from Ed Hulse publisher of the best current publication on pulp magazines.

Also included is some back matter including a glossary of African terms. At \$19.95 for a 300 page small press trade paperback this is also a real bargain. The book includes the first 12 adventures of the Major, and I

eagerly await further volumes.

Highly Recommended.

Great!

By egytomb

I first discovered The Major through Black Dog Books and that set me on a path looking for copies of Adventure and Short Stories that had stories of him. This book fills in gaps in my collection and I hope they will see the series to fruition. I think there are over 100 Major stories and I can't wait to read and in some case re-read every last one! Highly recommended series that gets better and better. Buy it.

Excellent Reading!

By Ron Shiflet

I didn't know what to expect having never heard of this character. Pleasantly surprised by sharp writing, wonderful characters and exotic adventures. I eagerly await the next volume in this series.
