What a wonderful book!

By Sadie Nan

This book (and the author) is an absolute God-send. The devotionals are so helpful and inspiring. Having just found out about my husband's three affairs, I've been desperate to find something -- anything to help me out of my quagmire of grief/anger/hurt/betrayal. This is the third book I've read and it is, by far, the best. The author has been where I am and shares her insights with grace and compassion. I'm so, so happy I found this

book!! Don't hesitate to buy it!

There are very few resources for betrayed spouses, let alone good ones. This book is an excellent daily resource to refocus on God everyday, and has been a light for me in a very dark hour.
