Four Stars

By Madi

Smaller than I expected but still very cute! Can't wait to give as a gift!!

6 of 7 people found the following review helpful.

Lisa Swerling

By User

This is the second Lisa Swerling book that I have purchased, and I look forward to purchasing her future ones. It does switch back and forth between putting an inflection on talking about a girl, to talking about a boy, but it mostly talking about a girl. I do wish it was a bit more equal. This is definatly not a book you should give to your child, however, and ss clearly meant for adults.

Five Stars

By pdc

My hubby LOVED this romantic and sweet book. We read it together with our morning coffee and laughed.
