The whole gang is back in the highly anticipated sequel of It is What it is a Hood Love Story. Everyone has a past filled with secrets. The question is will the person you're with, love you the same when they find out your deepest and darkest secrets? This time around love will be entangled with hidden skeletons and everyone has them. Whose love is strong enough to overcome secrets and whose relationship will fall by the wayside?

Carlos hasn't exactly been a choir boy; but no one can deny the love he has for Lucky. Is love really enough when his past indiscretions have left permanent scars on Lucky's heart that are now manifesting through distrust and insecurities? Can Lucky let his previous mistakes stay in the past or is she bound to let it ruin their future? When we last left off in an act of jealousy and mistrust Lucky set forward a chain of events that left both her and Los in handcuffs. Is this the last straw? Or can their love survive this test?

Both Keema and Jah are living the life they'd always dreamed of. Husband and wife are now parents to a bouncing baby boy and another blessing on the way. The newlyweds soon find out that life isn't as perfect as they thought it would be. When Keema is suddenly contacted by someone from her past, will she end up letting this individual sabotage her future?

Ty and Nice are finally together and she couldn't be happier. With the honeymoon phase of their relationship over she's finding out that balancing her career and home life isn't all that easy. Especially, when outside forces seem to keep trying to pull them apart. With Mia creating Baby Mama drama in epic proportions and a dark secret threatening to ruin their relationship could their relationship survive?

Smh

By Kyra

Good, but I know there will be a part three and ain't nobody got time to be waiting two & three damn years for it. This should've been wrapped up seeing as though how LONG it takes for Ivory to write a book.

Not The Same Quality As Part 1

By Amazon Customer

This was a "dark" read. It did not have the same good feeling as book 1. There was a lot of unnecessary fluff in the book, such as all the situations with Mia and Nona. Their characters detract from what the fans love about the book. I found myself skipping many pages that detailed Mia and Nona's story-lines. Also, it was disappointing that the author chose to go with the silliness and cliché nature of most urban stories like including kidnapping, family members having babies behind each other's backs, family relations other than what was originally presented, etc. The fans love this story because of the love stories. This series was to be used as the standard that urban authors should reach for. There was no need to "dumb down" the book by going on the level of many of the other stories. This series was different initially. Book three would be banging if the focus is the hurt and pain with Ty and Nice's relationship. Even better, would be a focus on what it takes for Ty to win Nice back. I hope Ty is taken all the way out of her comfort zone and given super realistic reasons for her past. There was too much information that lacked fire. Background information is fine, but it felt disconnected. I hope the love stories of the couples are the focus on book three and not typical urban book elements that everyone else includes. The title is "A Hood Love Story" not A Hood Drama. I hope the author tones down all the drama and zeros in on the emotion to make us feel the couples again. The book was just alright, nowhere near the same quality as part 1.

Long and drawn out for no good reason...

By Amazon Customer

Where do I begin...I was so in love with book 1 and could not wait for book 2, only to wait 2 years for the book to be lackluster, drawn out and very incohesive. It seems the author was throwing ideas against the wall to see what would stick. There were sooo many things mentioned in the story that could've been left out and a lot things that I was eager to see her expand on from book 1 and she barely touched the surface. I can honestly say I'm not interested in book 3, after over 400 pages of mumbo jumbo with horrible editing and \$9 later, I'll pass.
