School

By Karen

I have been using this book for my English class at school and it has been one of the best purchases I have made. At my school's book store it costs approximately \$80. I only paid (rounded off) \$14 for it through this seller. It was a great investment, because I have used it all semester and it is just a good book to have. Thank you.

Good Fast Service

By Kunal Lalwani

The service was fast and efficient, but i think it would be better if they had a person to respond to phone calls efficiently, and we could get in touch quicker about additional information about the product, but i will agree service was fast and efficient, great work !!!
