Review

"Check it out and rock on with your bad self after the jump! " MTV

"Great ideas, like the marriage of rock 'n' roll and comics, have the half-life of uranium and will always be popular," says Jay Allen Sanford of Revolutionary Comics.

The folks at Bluewater clearly have their fingers on the same pop culture pulse that enabled the original *Rock 'N' Roll Comics* to become one of the top-selling indie comics of the '90s. Truth is often stranger than fiction...and certainly much more interesting!"

About the Author

Jay Allen Sanford - is an American author and cartoonist best known for his work with Revolutionary Comics, Carnal Comics, and Pacific Comics. He co-created the comic book *Rock 'N' Roll Comics* with Todd Loren in 1989, which is still being published in 2011 by Bluewater Productions. The publishing company he co-founded, Carnal Comics, is best known for launching the movie and cartoon character Demi the Demoness. Sanford ran Carnal Comics from 1994 through 2000, before handing over the publishing reins to SS Crompton.

ROCK & ROLL COMICS: HARD ROCK HEROES BY VARIOUS PDF

What goes together better than comics and rock music? Rock 'N' Roll Comics: Hard Rock Heroes goes WAY beyond behind the music, to tell the real life, behind-the-scenes stories of rock's most heavy hitters. Covering bands like Guns N' Roses, Metallica, AC/DC, Black Sabbath, Ozzy Osbourne, Van Halen, Motley Crue, Poison, Megadeth, Pantera, Anthrax, Motorhead, and Sammy Hagar, Rock 'N' Roll Comics: Hard Rock Heroes features creators including Stuart Immonen (Superman: End of the Century), Ken Landgraf (Wolverine), Jay Allen Sanford (Overheard in San Diego), Todd Loren (Beatles Experience), Scott Pentzer (Razor), and Mike Sagara (Ninja High School).

Don't Rock N Roll & Comics Go Well Together?

By T. Skylar

When I first saw this book the cover looked to me as some sort of Guitar Hero rip-off or wannabe because of the cover's artwork and the title itself, Hard Rock Heroes (and the way it was written on the cover), reminded

me of the video game franchise. Reading the description at the back of the book made me realize it was totally different and NOT linked to Guitar Hero in any way. In fact, Hard Rock Heroes could be best described as a collection of comics from different rock/metal bands published prior to 1992 (with exception on the brief Motley Crue one which was included in the band's 2004 box set, Music To Crash You Car To II. They also included a "missing" Skid Row comic from 1990 that was apparently never published.). At almost 300 pages the book makes for a good read, it took me a few hours and I really enjoyed how realistic the artwork was in the comics (some are so-so but they are mostly excellent in terms of art).

Hard Rock Heroes includes comics of the following bands : AC/DC, Megadeth, Metallica, Pantera, Poison, Guns N'Rose, Queensryche, Van Halen, Black Sabbath/Ozzy, Skid Row, Anthrax, Motorhead , Tesla and Motley Crue. If you're interested by the majority of these bands, would like to read some excellent comics that look at those band's careers exactly as it was and having some cool and detailed artwork as well, this is for you. For those who want to see what they're buying, it's best you do, head to a library and seek out this book, after flipping through pages and reading here and there you will have better judgment. That's exactly what I did, I flipped through the book, read here and there and I decided to give it a shot and I have not regretted it. The lengths of the comics vary from one another, there are longer ones such as the AC/DC and Queensryche ones, middle lengths ones such as the GN'R and Megadeth ones and brief ones like Motley Crue's. The Ozzy/Black Sabbath and Van Halen stories each receive two comics instead of one which is pretty cool.

I liked pretty much all of the comics but I particularly enjoyed the Ozzy/Sabbath, AC/DC, Metallica and Van Halen ones, perhaps the stories were more interesting or maybe I am just more into those bands. I know that this book will get criticized for covering some of the 1980's Glam/ Hair Metal bands like Poison, Skid Row and Tesla but I found the comics enjoyable and don't have anything against these band though I certainly understand why someone would. What do you expect from a collection of rock n roll comics? It's hard to give a definitive answer but I do like them to be accurate as far as facts and storytelling goes, that's what you get here, I was surprised at how accurate those comics were. The writers got the chart numbers, albums sales and date perfect almost each time (I found two or three minor errors), you can tell by reading one of the comics in Hard Rock Heroes that the folks who wrote the comics back then really care about the music! Frankly I don't know what's left to say, Hard Rock Heroes is an excellent read for the rock and comic book fans or simpler people who strongly like rock music. I am not a huge fan of comics anymore but I appreciated those offered in this book, 4 stars.

I wish there was a poster of the cover

By Amazon Customer

This is one of those I thought was worth the expense. I was a true fan in the 90's with the original rock and roll comics. So getting them now for my book shelf is a very cool thing. The book is in black and white and wish they colored it - but I thought it holds up very well.
