Excellent

By Rebecca Alexander

This book was a very well written thriller. Wow Denise really is the mother from hell. The thgs she did to and allowed to happen to her kids is unbelievable. There were times that I was brought to tears these poor kids can't catch a break. The author really killed it w this one. Need part three like yesterday hopefully thgs turn around for these poor thgs. I'm pretty sure that it's gonna take a lot for them to become halfway normal.
