A masterful continuation of the story.

By irishlace

I love how Maggie Walsh gives us the two main love interest, but also keeps the rest of this huge cast in the story. She always includes everyone and I don't know how she keeps them all straight, but I'm glad she does. The story of Phenex and Ryland was one I was dying to read more about, and I am so thrilled that it's here. And Maggie did a fantastic job of going back and explaining what happened from both their points of view, and then she did an absolutely amazing job of bringing them back together. Once again there was so much going on in this one and it was very exciting. I couldn't put it down until I finished. I really can't wait to see what happens to Crew, or Matthew. I love how Maggie keeps us updated on the former mateings and let's us see how their relationships are progressing. So many great scenes in this book. Bravo Maggie. Keep up the great work. I wait patiently for the next one. Okay, maybe not so patiently.

Worlds my Colide, but couldn't get enough.

By Kristina's Book Review

Couldn't get enough and wanted more when I read 'The End'. As I don't do Spoilers, all I can say is this is a must read and a reread.
